November 9, 2016

Dear Property Owner:

RE: Project No. 16048-110
Grand Canal Boulevard Seawall Replacement
Road Closure

The City of St. Petersburg has recently authorized a contractor to remove and replace the defective seawall along the south side of Grand Canal Boulevard NE between Massachusetts Avenue NE and Overlook Drive NE. The construction of the seawall and all appurtenances will take approximately 40 days, starting November 14, 2016. In order to complete the seawall replacement in a safe manner, Grand Canal Boulevard NE will be closed for approximately 4 weeks for the main wall replacement. The road will be closed from Overlook Drive NE to Massachusetts Avenue NE starting on Monday, November 14, 2016. The contractor, All American Concrete, Inc., should open the road to traffic no later than Friday, December 9, 2016.

Attached is a drawing detailing the road closure and detour route while the contractor replaces the seawall.

The above construction schedule is subject to change based on weather and unforeseen conditions.

Any questions regarding this letter, please contact Mike Ryle at (727) 893-7400.

Sincerely,

Michael Ryle, P.E.
